

AUGUST NEWSLETTER 2017!

How fun was the Country Music Festival last month? We hope you had as much fun as we did, it's a shame it had to end. As you are all aware it is now the Summer holidays and we do have some activities for the kids. The forge are holding a summer club called "Maker Fun Factory" a place where kids will build, explore and discover that they were made by the ultimate creator. After that we have joined forces with Anglia Sports Management to put together a summer holiday play scheme, Mon-Wed-Fridays, more information can be found on our website. Every Tuesday and Thursday Skates and Scooters will be on in the hall 10am-12pm and again at 2pm-4pm. To celebrate our new playground equipment being installed, we are going to host an Open Day on Sunday 27th August, more details to follow but we hope to see you there!
