The trustees, who are also the directors for the purposes of company law, present their report and the unaudited financial statements of the charity for the year ended 28 February 2019.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) (as amended by Update Bulletin 1 published on 2 February 2016).

TO BE UPDATED BY CLIENT
Structure, Governance and Management
Governing Document

The organisation is a charitable company limited by guarantee and was incorporated on 20 February 2003. It is governed by a memorandum and articles of association. The company was established, following a review of legal structure, to take over the activities of the unincorporated charity, Debenham Village Hall Playing Field Trust (registered charity number 304742) established under a scheme approved by the Charity Commissioners under seal dated 4 July 1988. The charity owns and runs the Debenham Leisure and Community Centre for the benefit of the inhabitants of the Parish of Debenham, Suffolk and neighbourhood.

Appointment, induction and training of trustees

The overall governance and financial responsibility is vested in the trustees, as set out on page 1. The trustees are also directors of the charity for the purposes of Company law. In accordance with the memorandum and articles of association, the trustees retiring by rotation at the 2019 Annual General Meeting are Mr N Jones and Mr M Durie who, being eligible, offer themselves for re-election.

The majority of the current trustees have all been involved with the organisation for a number of years and are familiar with the practical work of the charity. New trustees are invited to a meeting with the Chairman, at which details of the charity and the context within which it operates are provided, including:

- The obligations of the trustees;
- The operational framework of the charity including the Memorandum and Articles of Association;
- Resourcing and the current financial position including the latest published and management accounts;
- Future plans and objectives.

Risk Management

The Committee continually review the major risks which the charity faces to ensure that the systems established to manage such risks are adequate. This process includes a review of reserve levels and of the charity's key financial systems.

Organisational Structure

The trustee board comprises of a minimum of 3 members who meet quarterly and are responsible for the strategic direction and policy of the charity. At present the board has 6 members from a variety of business backgrounds relevant to the work of the charity.

The trustees delegate the responsibility for the day to day operational management of the Centre to the General and Facilities Managers, including the provision of specified services and facilities and supervision of the staff team. The charity employs the equivalent of three full-time and also a number of part-time staff in varying roles including cleaning, administration, bar work and coaching.

Report of the Trustees for the year ended 28 February 2019 (Continued)

Related Party

The charity has a wholly owned trading subsidiary, Debenham Community Centre Limited, which operates the bars and associated facilities for the benefit of the Trust.

Objectives and activities

The charity's objective is the provision and maintenance of a village hall, recreation ground and other recreational facilities for the use of the inhabitants of the Parish of Debenham and its neighbourhood without distinction of political, religious or other opinions, including use for meetings, lectures and classes, and for other forms of recreation and leisure time occupation, with the object of improving the conditions of life for the said inhabitants.

The facilities comprise a sports hall, fitness room, squash courts, sauna, community hall, arts venue, two lounges, two bars, kitchen, bowling green, and football pitches. There is a flourishing sports, arts and entertainment programme for children and adults.

Public Benefit

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'. The charity relies on grants and the income from fees and charges to cover its operating costs. Affordability and access to our facilities is important to us and is reflected in our pricing policy. We endeavour to encourage all within our community to take part in our activities and to use the leisure centre and sports facilities.

Achievements and performance

Debenham Sports & Leisure (DS&L) is a well-established centre serving a local and surrounding area population with a wide range of Sports and Leisure activities. We continue to make progress in the services we offer, which this year has also been extended to our staff due to our compliance with the National Living/Minimum Wage increases over the year. However, we can report that despite these increases we can post a positive outturn for 2018/18 in this, our 53rd reporting year.

We are fortunate to have such a loyal customer base who continue to use our facilities ensuring we remain a viable organisation for the future. We continue to see in excess of 100,000 visits to the centre each year to attend the regular activities and leisure services we provide. We would like to think that there is something for everyone to enjoy. Unfortunately, Moo Music and Clubbercise did not survive due to low attendances, but in their place, we have provided the following, which have proved popular and are well attended:

- ✓ Active Suffolk, New Age Kurling
- ✓ Barre Pilates
- ✓ Skates & Scooters
- ✓ School Holiday Activities
- ✓ HIIT (High Intensity Interval Training)

These along with other activities/events that started in March 2019 have contributed to our increased footfall both for the reporting year and for 2019/19. This year we record an annual operating profit of £37,258 which is around £15,000 down on last year, most of which is due to staff pay increases already mentioned. We have continued to reinvest in our facilities as follows:

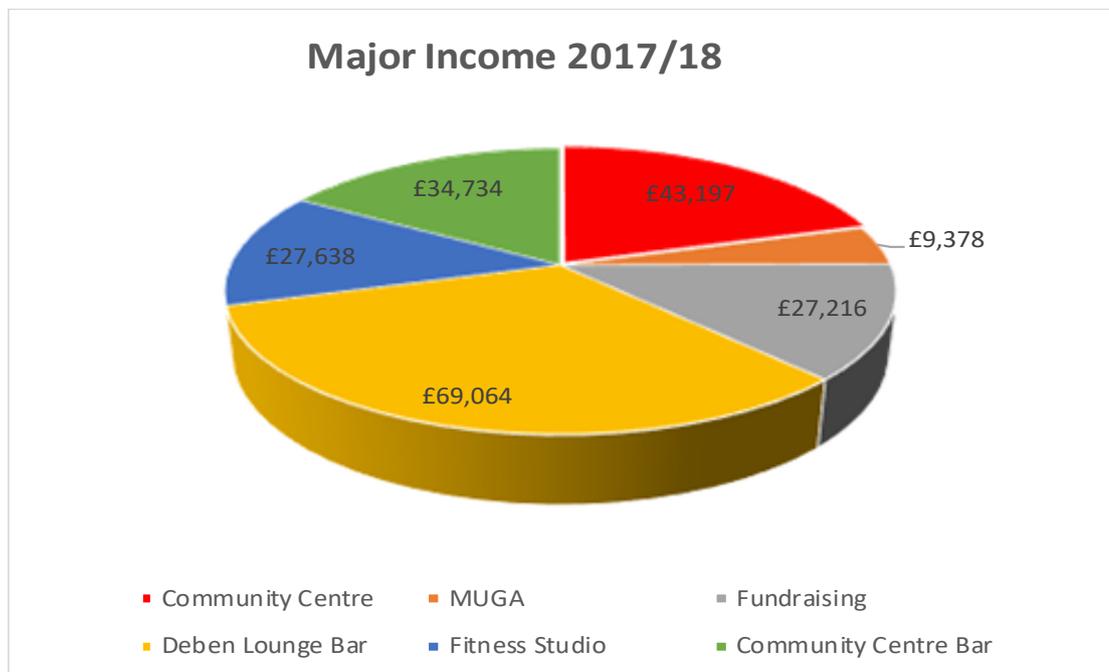

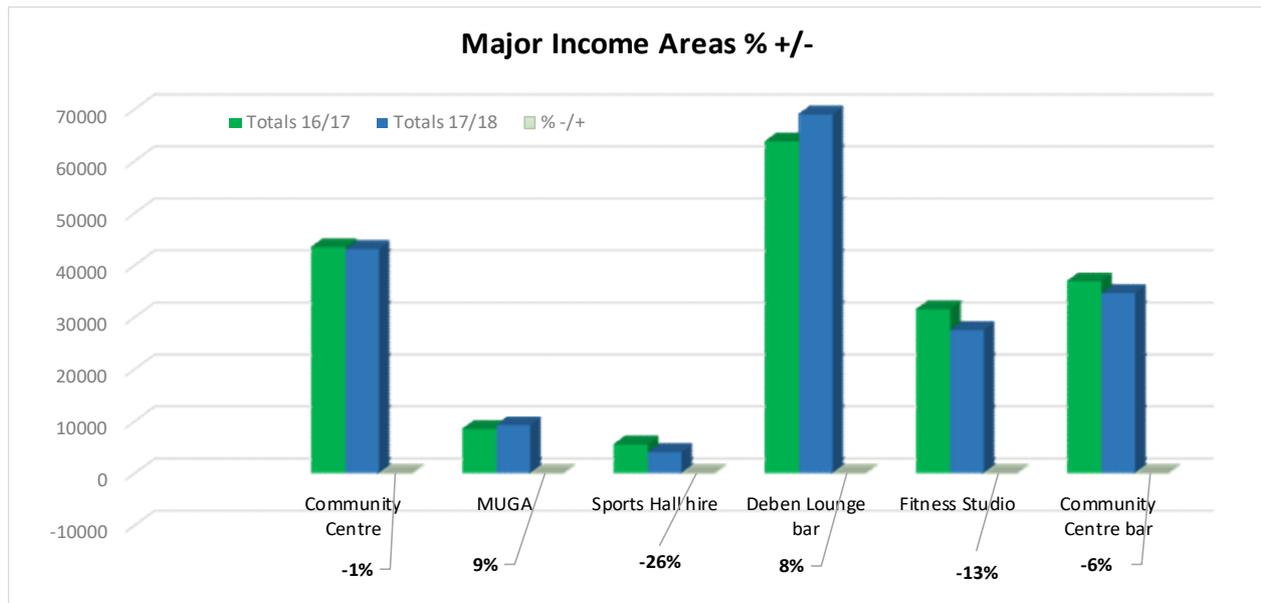

- ✓ Refurbishment of the Deben Lounge
- ✓ Lottery Funded Playground for Primary School aged children
- ✓ New Community Centre floor
- ✓ LED Car Park Lighting

Income

The graph below provides an overview of major income areas of income over the reporting period. There was a 1% decrease in income for hires of the Community Centre, a further 9% growth in MUGA use and a 13% reduction in the Fitness Centre. Our bars performed well over the year, although we have recorded a 6% reduction in income for the Community Centre bar this was offset by an 8% increase in income for the Deben Lounge, providing a 3% increase overall.

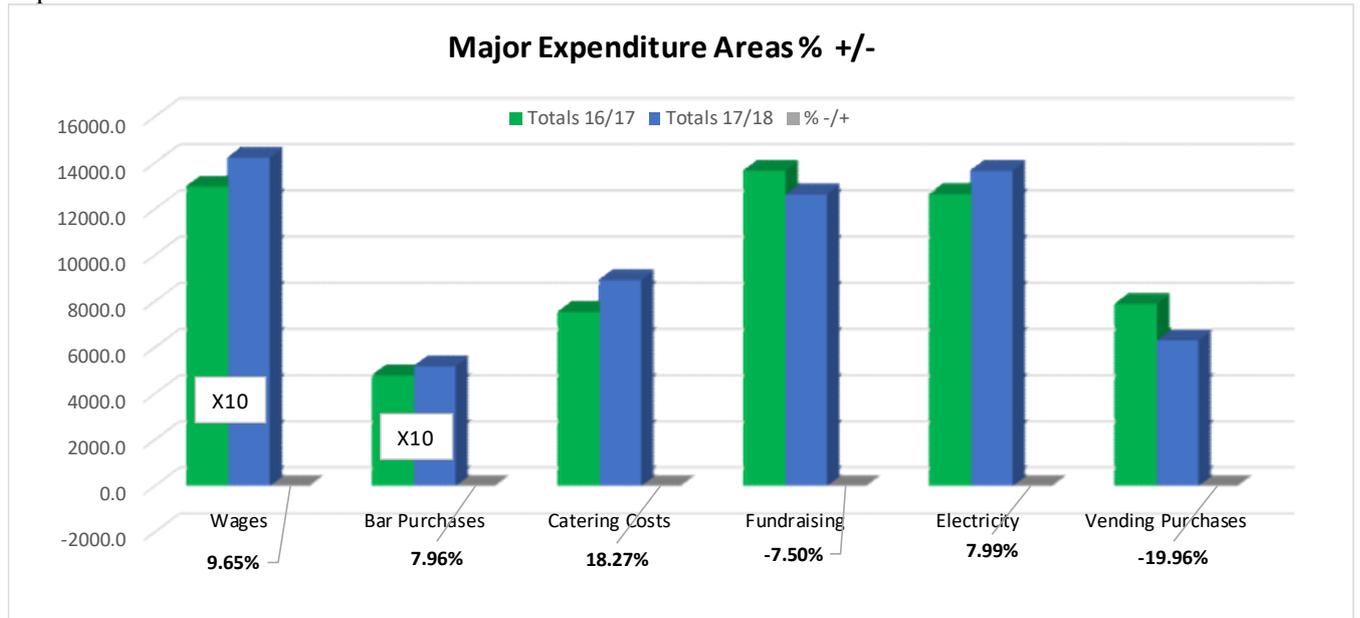

These major income areas along with our regular long-term agreements with Debenham High School, the Forge Community Church and Zeera Indian Takeaway provide the majority of our funding with Mid Suffolk District Council providing a Revenue grant to make up any shortfall. All of our other income is derived from the remaining services/activities we provide.

Expenditure

The graph below provides an overview of areas of expenditure which make up a major part of our annual spend. Bar purchases were up by 7.96%, Catering costs were up 18.27%, Fundraising costs were down -7.50% and Electricity was up 7.99%. The above contributed an overall increase in expenditure of 2.9%.

For the sake of clarity, the values of Wages and Bar purchases have been divided by 10, actual values are £142,391 and £51,871 respectively.

Our “Friends” completed the refurbishment of the Deben Lounge project. Raising around £18,000 to lay new flooring, buy new furniture, replace windows and redecorate in a modern and tasteful way. It was all carried out without interruption to our customers and we thank the “Friends” for their valuable contribution and our customers for their support and tolerance throughout the project. We like to think of the Deben Lounge as a “special” place, which caters for so many different groups of people throughout a normal day. Spurred on by their success, the next “Friends” project is the refurbishment of the dance studio. Watch out for our plans to make this happen over the next year or so.

Report of the Trustees for the year ended 28 February 2019 (*Continued*)

Achievements and performance (*continued*)

The “Friends” group is always looking for new members. You don’t need to bring any specific skills to the group, more a willingness to contribute to planned projects and other initiatives as we progress through the year.

The Centre is a focal point for our community, providing a wide and varied programme of events in a friendly and welcoming environment. We work closely with individuals and groups and strive to meet their needs and to ensure each and every event or activity is a success.

However, we are never satisfied and are always looking for new approaches and ideas to stimulate activity and entertainment. We are always happy to receive feedback and suggestions which may help with those objectives.

Our staff work extremely hard to make your visit both enjoyable and memorable and strive to provide a great customer service at all times.

Financial review

The statement of financial activities on page 10 reflects another successful year for the Centre with a surplus on unrestricted funds for a seventh successive year.

Income from membership, the community centre and sports and leisure facilities has been maintained at a similar level to 2016-17. Grant income continues to provide an important contribution and the board wish to record their appreciation of Mid Suffolk District Council for their support during the year. Fundraising events have once again been successful producing a net contribution for the year of £17,222, some of which has been designated for refurbishment of the Deben lounge.

The expenditure on restricted funds mainly represents depreciation of assets acquired out of restricted income both in current and previous years.

Reserves policy

The board have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets or required to fund stocks (“the free reserves”) held by the charity should be equivalent to 3 months of the Centre’s operating costs which equates to approximately £75,000. At this level the board feel that they would be able to continue the current activities of the charity in the event of a drop in income or unforeseen expenditure. It would obviously be necessary to consider how the funding would be replaced or activities changed. At the year end the group had net current assets of £10,080 on unrestricted funds (2018: net current assets £2,644) comprising net current assets on designated funds of £44,234 and net current liabilities on general funds of £34,154 The long term aim of the trustees is to rebuild the level of reserves in line with the above policy.

on the unaudited financial statements**

I report to the charity trustees on my examination of the financial statements of the company for the year ended 28 February 2019 which comprise the statement of financial activities (including income and expenditure account), balance sheet and the related notes.

Responsibilities and basis of report

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the financial statements of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's financial statements as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales. I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

These financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The financial statements are prepared in sterling, which is the functional currency of the entity.

The charity constitutes a public benefit entity as defined by FRS 102.

Group financial statements

These financial statements consolidate the results of the charity and its subsidiary, Debenham Community Centre Limited, on a line by line basis. A separate statement of financial activities is not presented because the charity has taken advantage of the exemption afforded by section 408 of the Companies Act 2006.

Going concern

The accounts have been prepared on the going concern basis and the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected income and expenditure for the next 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the Trust to be able to continue as a going concern.

Income

Income is recognised in the period in which the charity is entitled to receipt, any performance conditions have been met and the amount can be measured reliably and with sufficient certainty. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future period.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on charitable activities includes all costs incurred by a charity in the delivery of its activities and services. All costs, including governance costs, are allocated between the expenditure categories of the Statement of Financial Activities on a basis to reflect the use of resources.

Tangible fixed assets

The cost of tangible fixed assets is their purchase cost, together with any incidental expenses of acquisition. Freehold land is not depreciated. The cost of other tangible fixed assets is written off by equal annual instalments over their expected useful economic lives as follows:

Freehold buildings	10 - 50 years
Fixtures, fittings and equipment	5- 10 years

Accounting policies (*continued*)

Fixed asset investment

The investment in subsidiary company is shown at cost less provision for any permanent diminution in value.

Stocks

Stocks are valued at the lower of cost and net realisable value after making allowance for any obsolete or slow-moving items.

Fund accounting

Unrestricted funds are available to spend on activities that further the purposes of charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds represent income which the donor or grantor has specified are to be solely use for particular purposes within the objects of the charity. Restrictions apply when specified by the donor or when funds are raised for particular restricted purposes.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.
